NEW MODEL

DID YOU KNOW? *Tougher than the rest!*

During the 2019 Gibraltar Race, a 7,000-km all-terrain rally from Baltic Sea to Atlantic Ocean, Renato Zocchi steered an X-ADV to the Class 2 victory. The rider put also himself as seventh overall in the event, beating out the competition of purpose-built dirt bikes and adventure tourers. While his X-ADV was specially prepared with extra wheel travel and ground clearance, Zocchi kept the footboards and drove its DCT version on Gravel mode.

Another proof that no matter where you want to go, the X-ADV is tougher than the rest to get you there!
